

Community update

FROM THE ASSOCIATION

ASHLEY'S ANNOUNCEMENT

A wintery welcome to the 15th Lenah Valley Community Association newsletter.

The Association would like to announce we're looking to launch a local Neighbourhood Watch.

This is partly in acknowledgement of the rise in local area crime, whether it's a real increase or increased awareness in the community due to social media reporting.

It would be great if residents could stay informed and participate where possible.

Additionally, to continue to create more social cohesion within the area, we have a few exciting things planned – including a basketball hoop in John Turnbull Park, a landcare management group and improvements to the Haldane Reserve behind the RSL, and a Family Fun Day planned for next year.

There are lots of exciting, positive things coming for the Valley. Keep an eye out on our website or Facebook page.

when: multiple times a month
where: contact relevant group
who: see [City of Hobart Bushcare events and activities](#) webpage for more information

FUNDRAISING

ANNUAL QUIZ NIGHT BY QUIZMAKER PHILLIP DALWOOD

This year's LVCA quiz night and fundraiser will be held **Saturday, 22 July** at the Lenah Valley Community Hall.

The night's aim is to raise funds for future community projects as well as build stronger community connections.

Doors will open at **7pm for a 7:30 start**, with a 10/10:30pm finish.

Teams of 8 are ideal, or if you don't have a team of 8 we can help you join with another table to make 8.

Tickets are **\$20 per person** and include a lucky door ticket and one drink. The door ticket will be drawn at the end of the evening, so stay to the end! There will also be a selection of prizes to be won throughout the night via raffles, which will be purchasable with cash-only.

Food is BYO or consider supporting a local business and dine out beforehand. For example, the Lenah Valley RSL is open to the public for drinks and meals. Phone number is 6228 2535.

Drinks will be available at a **cash-only bar**.

Tables are already filling up, so get in quick.

- by email: contact Ros on roswilliams5@bigpond.com
- by phone: contact Fay on 6228 5811.

For ease of payment

Account: 00900088

Please add your name & contact for reference.

THANK YOU

We are always thankful to our volunteer deliverers, especially the students and Principal of Immaculate Heart of Mary Catholic School. Without volunteers we wouldn't be able to get our news directly to your door.

Also, a very big thank you to Andrew Wilkie MP's office and Hon Elise Archer MP's office for printing this update.

COMMUNITY PROJECTS

HALDANE RESERVE REGENERATION

Hidden away in Lenah Valley is a patch of rivulet bush, which could use our community's attention. The Lenah Valley Community Association is looking to involve local people and others in a project with City of Hobart Council to find a way forward to care for this land.

A proposed aim of the project is to promote the wellbeing of this currently, dog-free, native wildlife habitat.

More information regarding this project as it progresses will be made available on our website

www.lenahvalley.com.au

In the meantime, if you are interested in gaining useful bushcare skills, consider participating in the City of Hobart's [Bushcare working bee winter program](#).

There are a few events happening early July:

- **Who:** Friends of Wellington Park
When: Tuesday, 4 July, 9:15am-1:30pm
Where to meet: Riding For the Disabled School, 500 Kalang Ave, Lenah Valley

Other Bushcare events and activities are available on the [City of Hobart's website](#).

BASKETBALL HOOP JOHN TURNBULL PARK

A free-standing structure, at the western end of the JT Park mural is on order and awaiting delivery to City of Hobart. This equipment has been able to be purchased using funds raised by the Association and the community.

We expect the hoop to be installed as soon as practical.

LOCAL HALLS FOR HIRE

LENAH VALLEY COMMUNITY HALL
